Ahmet Börütecene

18 August 2021, Norrköping

Cinema is dead.

“Cinema died on the 31st September 1983 when the zapper, or the remote control, was introduced into the living-rooms of the world.”

Peter Greenaway

Changing the participatory status of viewers

TIME CODE was filmed in 4 continuous takes beginning at 3:00 pm on friday, november 19th, 1999. all of the cast improvised around a predetermined structure.
